Section II: Object

II.1. Scope of the procurement

II.1.1. Title

New school for St. Thomas' JNS, Tallaght, Dublin 24 – Electrical Contractor
Reference number: 19702N

II.1.2. Main CPV code

45214200 Construction work for school buildings

II.1.3. Type of contract

Works

II.1.4. Short description

Expressions of Interest are invited from suitably qualified Electrical Specialist Contractors who wish to be considered for construction works of the St. Thomas' Junior National School, Jobstown, Tallaght, Dublin 24. The works will consist of the supply, delivery, installation, testing, commissioning and setting to work all necessary materials and equipment to carry out the complete electrical services installation associated with the construction of a new school project.

II.1.5. Estimated total value

Value excluding VAT: 13 500 000,00 EUR

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45214210 Primary school construction work, 45310000 Electrical installation work

II.2.3. Place of performance

NUTS code: IE061 Dublin

Main site or place of performance: Fortunestown Road, Jobstown, Tallaght, Dublin 24, D24 X577

II.2.4. Description of the procurement

Expressions of Interest are invited from suitably qualified Electrical Specialist Contractors who wish to be considered for construction works of the St. Thomas' Junior National School, Jobstown, Tallaght, Dublin 24.

The proposed development will consist of demolition/ removal of the existing single-storey St. Thomas' JNS building (c.2,605 sq. m) and all ancillary structures (c. 211 sq. m) and construction of a new (c. 4,998 sq. m) part three-storey and part two-storey primary school building in its place. The provision of 2-no. single-storey temporary accommodation units, c. 400 sq.m, to facilitate the construction of the new school building. The provision of the external play area, new staff car park and set-down arrangement upgrade to the existing boundary treatment and all associated site and landscaping works.

This is a phased development on a live/ urban site. The day to day operation of the school must be maintained at all times by the appointed Contractor.

The Reserved Specialists are being pre-selected and procured separately from the Main Contract and when procured will enter into a contract with the Main Contractor.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 1 750 000,00 EUR

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 30

This contract is subject to renewal: no

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 8 Objective criteria for choosing the limited number of candidates:

as per Suitability Assessment Questionnaire

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

The following specialist works will be undertaken on-site by Reserved Specialists:

- Mechanical Building Services

- Electrical Building Services

Reserved Specialists are being pre-selected and procured separately from the Main Contract and when procured will enter into contract with the Main Contractor. Reserved Specialists will be required to execute a Collateral Warranty with the Employer

Section III: Legal, economic, financial and technical information

Date: 11/03/2022 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

Date: 01/06/2022

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

The envisaged number of operators to be short-listed to tender is as stated at II.2.9 above. All applicants having an equal suitability assessment score to the lowest qualifying Candidate will also be deemed to be qualified.

Candidates will be pre-qualified on the basis of the information submitted in response to this notice (All criteria have a minimum standard). The submissions of the apparently successful applicants will be validated prior to completing the short-list.

Where a candidate having qualified for the short-list withdraws prior to the completion of the Tender Process or is subsequently found to have provided inaccurate information sufficient to justify exclusion (at any stage after the short-list is formed), the competition will proceed with the remaining number of candidates. Applicants who failed to be short-listed will not be subsequently added to the list.

The contract will be awarded on the basis of most economically advantageous tender.

The Works requirements may be extended to include additional works of a similar nature at the discretion of the Contracting Authority. All additional Works requirements are subject to the restrictions as set out in Article 72 of Directive 2014/24/EC (Regulation 72, SI 284 of 2016). The successful applicant will enter into a contract with the successful Main Contractor. The Project categorisation for assessment of H&S competence as Works Contractor and PSCS is Major Works.

The Areas of work involving Particular Risks known to Contracting Authority at this time are:
The Areas of work involving Particular Risks known to Contracting Authority at this time are:
The site is immediately adjacent to an existing live school environment, within an existing residential neighbourhood. Access to the site is restricted. Small amounts of asbestos are present in the existing buildings. The successful contractor will be required to manage the construction traffic and existing traffic in and around the constrained urban site. The contract also involves the demolition of the existing buildings and IW services diversions. The contractor will be required to liaise and cooperate with the school, parents and pupils to eliminate health and safety risks during work.

Expressions of Interest or tender competitions have been or are being conducted separately for: Mechanical and Electrical Reserved Specialists.
