Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

Tenderers must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

Documentation:

Norwegian tenderers: Company Registration Certificate.

Foreign companies: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Sufficient economic and financial capacity to be able to fulfil the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Minimum level(s) of standards possibly required:

Credit rating based on the most recent financial figures. The rating shall be carried out by a credit rating company with a licence to conduct this service.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Minimum level(s) of standards possibly required:

Description of the tenderer's up to 3 most relevant contracts in the course of the last 3 years.

The assignment description must include a specification of the assignment value, assignment length and the recipient (name, phone number and email address). The tenderer is responsible for documenting the assignment's relevance through their description. Tenderers may do this by including documentation on the competence of the personnel that can be used for this project, including experience that has been acquired while the personnel was in the service of another employer.
