III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Detailed in PQQ/ITT

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Detailed in PQQ/ITT

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Detailed in PQQ/ITT

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Detailed in PQQ/ITT

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

III.2.2. Economic and financial ability

List and brief description of conditions: (a) Appropriate statements from banks or, where appropriate, evidence of relevant professional risk indemnity insurance

(b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established

(c) A statement of the undertaking's overall turnover and, where appropriate, of turnover in the area covered by the contract for a maximum of the last three financial years available, depending on the date on which the undertaking was set up or the economic operator started trading, as far as the information on these turnovers is available

Detailed in PQQ/ITT

Minimum level(s) of standards possibly required: Detailed in PQQ/ITT

III.2.3. Technical and professional ability

List and brief description of conditions:

(a) a list of the works carried out over the past five years, accompanied by certificates of satisfactory execution for the most important works. These certificates shall indicate the value, date and site of the works and shall specify whether they were carried out according to the rules of the trade and properly completed. Where appropriate, the competent authority shall submit these certificates to the contracting authority direct

(b) a list of the principal deliveries effected or the main services provided in the past three years, with the sums, dates and recipients, whether public or private, involved. Evidence of delivery and services provided shall be given: - where the recipient was a contracting authority, in the form of certificates issued or countersigned by the competent authority, - where the recipient was a private purchaser, by the purchaser's certification or, failing this, simply by a declaration by the economic operator

(c) an indication of the technicians or technical bodies involved, whether or not belonging directly to the economic operator's undertaking, especially those responsible for quality control and, in the case of public works contracts, those upon whom the contractor can call in order to carry out the work

(d) A description of the technical facilities and measures used by the supplier or service provider for ensuring quality and the undertaking's study and research facilities

(e) Where the products or services to be supplied are complex or, exceptionally, are required for a special purpose, a check carried out by the contracting authorities or on their behalf by a competent official body of the country in which the supplier or service provider is established, subject to that body's agreement, on the production capacities of the supplier or the technical capacity of the service provider and, if necessary, on the means of study and research which are available to it and the quality control measures it will operate

(f) The educational and professional qualifications of the service provider or contractor and/or those of the undertaking's managerial staff and, in particular, those of the person or persons responsible for providing the services or managing the work

(g) For public works contracts and public services contracts, and only in appropriate cases, an indication of the environmental management measures that the economic operator will be able

to apply when performing the contract

(h) A statement of the average annual manpower of the service provider or contractor and the number of managerial staff for the last three years

(i) A statement of the tools, plant or technical equipment available to the service provider or contractor for carrying out the contract

(j) An indication of the proportion of the contract which the services provider intends possibly to subcontract

(k) With regard to the products to be supplied: (i) samples, descriptions and/or photographs, the authenticity of which must be certified if the contracting authority so requests; (ii) certificates drawn up by official quality control institutes or agencies of recognised competence attesting the conformity of products clearly identified by references to specifications or standards

Detailed in PQQ/ITT

Minimum level(s) of standards possibly required:

Detailed in PQQ/ITT

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no
