Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Multiple Framework Contract with Reopening of Competition for the Provision Services for Development, Consultancy and Support of Information Systems under Time and Means Conditions

II.1.2. Main CPV code

72000000 IT services: consulting, software development, Internet and support

II.1.3. Type of contract

Services

II.1.4. Short description

The main goal of this procurement procedure is to establish framework contracts (at least 3 and maximum 10) enabling efficient provision of services for development, consultancy and support of information systems under time and means conditions. The mechanism applied for awarding specific contracts implementing framework contracts is the reopening of competition. The framework contracts resulting from this tender will be a source of services for the following areas:

- 1) Development of information systems, including concept elaboration, requirement analysis, system implementation and maintenance;
- 2) Operational management and administration of information systems, including IT infrastructure set-up, administration and maintenance;
- 3) End user support and training;
- 4) Other areas like: information systems' security, enterprise architecture, quality assurance, IT governance, IT processes support and maintenance, etc.

Services may concern all types of information systems and all areas.

II.1.5. Estimated total value

Value excluding VAT: 34 000 000,00 EUR
