II.2.4. Description of the procurement

Dublin City Council (“the Contracting Authority”) proposes to engage in a competitive process for the establishment of a Single Party Framework agreement for the provision of Mechanical and Electrical Engineering Services for the Dublin City Council Housing Development at Emmet Road, Inchicore, Dublin 8.

The establishment of the framework agreement is subject to the provisions of Directive 2014/24 /EU & will be awarded using the Competitive Procedure with Negotiation.

The Framework Agreement will be established for 4 years on foot of a contract for the provision of Mechanical and Electrical Engineering Services for Stage (ii) Post Planning to Stage (v) Handover of the Capital Works Management Framework for the Emmet Road Development.

The Contracting Authority proposes to deliver 487 apartments as part of mix-used development which will include cost rental and social apartments. The development will include community facilities such as a community hub/library, creche along with associated public realm and a series of new public open spaces to create a vibrant new neighbourhood in Inchicore. This will help provide a rich diversity of residents supported and sustained by a mix of uses and facilities. One of the key aims of the project is to deliver a cost efficient scheme, along with maintaining the quality. The planning application also includes Block C which contains retail units, supermarket and 91 residential units above. This will be designed and constructed by a Third Party Developer and will fall outside of the scope of this project in terms of delivery. However, any integration with Block C will need to be considered while detailing the design for rest of the development.

VI.3. Additional information

1. Suppliers must register their interest on the Irish Government procurement opportunities portal www.etenders.gov.ie in order to be included on the mailing list for clarifications.
2. Please note that all information relating to attachments, including clarifications & changes, will be published on www.etenders.gov.ie only. Registration is free of charge. DCC will not accept responsibility for information relayed (or not relayed) via third parties.
3. Emailed/faxed/late tenders will not be accepted.
4. Suppliers should note the following when making their submission:
 - To enable submission of multiple documents concurrently, download & install the 'Upload Manager ActiveX' facility to your eTenders user profile.
 - When using the 'Upload Manager' facility do not use the 'Schedule' option.
 - Instead, use only the 'Upload' option, which will enable monitoring of the upload.
 - Suppliers who do not use the Upload Manager can upload individual files, however please ensure to allow sufficient time for upload.
 - There is a maximum upload limit of 2GB per file. Documents larger than this should be divided into smaller files prior to upload.
 - In order to submit a document to the electronic postbox, please note that you must click "Submit Response". After submitting a response, the response may be modified and re-submitted as many times as may be necessary until the RFT deadline has expired. Suppliers should be aware that the "Submit Response" button will be disabled automatically upon expiration of the response deadline.
 - Suppliers must ensure that they give themselves sufficient time to upload & submit all required documentation before the submission deadline. Suppliers should take into account the fact that upload speeds vary.

• If you experience difficulty when uploading documents please contact eTenders Support Desk for technical assistance. Email etenders@eu-supply.com or Telephone: 353 (0) 21 243 92 77 (09:00am – 17:30pm GMT)
