The procurement involves the establishment of a framework agreement

Framework agreement with several operators
Envisaged maximum number of participants to the framework agreement: 3
In the case of framework agreements, provide justification for any duration exceeding 4 years:

Le PA juge cette durée nécessaire pour des raisons d'efficacité (de coût) et de continuité du service public (mission mutualiste). La mise en œuvre des projets concernant la plateforme IT de protection sociale nécessite de longues périodes (notamment en raison de leur intégration). Changer de prestataire de services à relativement court terme pourrait perturber la continuité des services. En outre, le contractant détermine lui-même la manière dont les systèmes sous-jacents doivent être mis en œuvre sur le plan technique, en tenant compte d'un coût d'investissement potentiellement élevé. Afin de permettre dans ce cas qu'une actualisation technologique nécessaire puisse être mise en œuvre de manière efficiente, à la fois pour le contractant et le PA, la durée de l'accord-cadre telle que décrite ci-dessus (à savoir 5 + 2 + 2) est pleinement justifiée
