**II.1.4. Short description**

Nkom intends to enter into a contract for consultancy services. The assignment includes carrying out an independent evaluation of the government grant scheme for broad band development in Norway (hereafter called the grant scheme). The purpose of the assignment is to gather information, quantitative evidence and result indicators that can be used to evaluate the scheme's implementation, form, its compliance with the government support rules and to

evaluate to what degree the grant scheme has fulfilled its aim. The evaluation report shall follow an ex-post approach, by evaluating the grant scheme as it has been implemented up until today. The results of the evaluation will be published on the website Nkom, [www.nkom.no](http://www.nkom.no). The report will be published and will be available for later use.
