Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally registered company.

Documentation:

Norwegian companies: company registration certificate.

Foreign companies: registration certificate in a professional register as determined by legislation in the country where the tenderer is established. The documentation must, at a minimum, state:

(a) the company's name and registration number;

(b) the company's business address;

(c) who can act on the company's behalf/bind the company.

Tenderers must fulfil their tax, VAT and payroll tax obligations. Arrears can lead to rejection.

The tax certificate must not be older than 6 months from the tender deadline.

Norwegian companies: a tax, VAT and payroll tax certificate.

Foreign companies: foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must (i) have satisfactory finances and liquidity that will enable them to fulfil the contract.

The company's annual accounts, including notes, with the boards and auditor's reports for the last financial year (2018, possibly 2017 if the accounts for 2018 are not available). In addition the contracting authority will obtain a credit assessment/rating themselves.

If a tenderer has valid reasons for not being able to provide the documentation requested by the Contracting Authority, the tenderer can prove his economic and financial position by presenting, for example, a declaration from a financial institution on surety.

Minimum level(s) of standards possibly required:

Positive equity

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from assignments that are relevant for the assignment's nature, size/scope and complexity.

Reference deliveries must include deliveries of stage podiums of a relevant size and functionality.

An overview of the 3 most relevant deliveries that the tenderer has delivered in the last 5 years. The name of the Contracting Authority and project must be given.

The Contracting Authority reserves the right to contact one or several of the Contracting Authorities in the reference deliveries in order to check that the tenderer has delivered a satisfactory product. The Contracting Authority must also be given the opportunity to inspect the reference projects in person.

NB: The reference list must be attached to the tender.

Minimum level(s) of standards possibly required:

Tenderers must previously have carried out a minimum of 3 relevant deliveries. They do not necessarily have to be of the same scope, but of a relevant character.
