Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally registered company.

Documentation requirement:

Norwegian companies: Company registration certificate

Foreign companies: Registration certificate in a professional register as determined by legislation in the country where the tenderer is established. The documentation must, at a minimum, state:

- (a) the company's name and registration number;
- (b) the company's business address;
- (c) who can act on the company's behalf/bind the company.

Tenderers must fulfil their tax, VAT and payroll tax obligations. Arrears can lead to rejection.

The tax certificate must not be older than 6 months from the tender deadline.

Norwegian companies: Tax, VAT and payroll tax certificate.

Foreign companies: Foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have satisfactory solidity that will enable them to comply with the contractual terms. The tenderer's annual accounts, including notes with the board's and auditor's reports for the last fiscal year (2018, possibly 2017 in case the accounts for 2018 are not available). In addition the Contracting Authority will obtain a credit assessment/rating themselves.

If a tenderer has valid reasons for not being able to provide the documentation requested by the Contracting Authority, the tenderer can prove his economic and financial position by presenting, for example, a declaration from a financial institution on surety.

Minimum level(s) of standards possibly required:

Positive equity

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from assignments that are relevant to this assignment's nature, size/scope and complexity.

The reference contracts must include deliveries of telescopic grandstands.

A list of the 3 most relevant contracts carried out by the tenderer during the last 5 years. The list must contain the name of the Contracting Authority and project.

In order to verify that the tenderer has a sufficient product, the Contracting Authority reserves the right to contact one or several of the Contracting Authorities stated in the list of references. The Contracting Authority must also be allowed to conduct physical inspections of the reference projects.

NB: The list of references must be attached to the tender.

Minimum level(s) of standards possibly required:

The tenderer must have been responsible for three projects with relevance to this contract. A corresponding scope is not required, but the nature of the project must be relevant to this contract. Minimum one of the reference projects shall include the delivery and installation of telescopic grandstands.
