**II.1.4. Short description**

Sykkylven municipality will use this procurement to enter into a framework agreement with one (1) to three (3) tenderers for each of the different stated trades/areas. The framework agreement shall cover the procurement of all normal trade services within these trades for minor new buildings, improvements to and maintenance of existing municipal buildings. The

contracting authority estimates that the total extent of the requested services will be between 500 000 — 4 000 000 NOK per annum. The contracting authority will not be obliged to a specific volume in this contract. Trades that have several framework agreements will rank suppliers in order of priority. The tenderer who submits the best tender and gets 1st priority will be asked first to carry out work in such a contract. If the tenderer with 1st priority cannot take on the work, the assignment will go to the tenderer with 2nd priority etc. The contract will be valid for two years, with a unilateral option for the contracting authority to extend the contract for a further 1+1 year.
