II.1.5. Short description of the contract or purchase(s)

Vox requests to enter into an agreement for the maintenance and development of the EPiServer CMS (Content Management System) for vox.no and our intranet. The agreement will be valid from 5.8.2013. Vox.no currently uses EPiServer CMS5 and for their intranet EPiServer 4.6. Solutions are already located on the Vox servers, so the agreement does not include server operations.

The solutions that are to be developed must also be able to be used on mobile platforms and be user friendly and meet the universal design principles.

Furthermore, the assignment also includes the redesign of vox.no and the development and design of the new intranet for the organisation.

Vox requests a supplier that emphasizes on a good dialogue with us.
