Short description of the contract or purchase(s)

Bridgewater College are currently out to tender for the contract of Waste Collection, Disposal and Recycling Services and is seeking to appoint a contractor who can provide a reliable, efficient, auditable and cost effective waste collection, disposal and recycling service which complies with all current legislation and all legislation currently published in statute but not yet in force. The contractor appointed will be given a 3 year contract and will need to provide the necessary management information including uplift details, the weights of waste to landfill and recycling and make recommendations on how the existing arrangements can be improved and further cost savings achieved.

The detailed specification can be found in the tender specification which will be sent to you upon receipt of your expression of interest via the In Tend Portal. <https://in-tendhost.co.uk/fe.aspx/Home>

Tender documents are normally published to the secure area within 24 hours. If after this time you have not received your email advising the tender documents have been published to the secure area, please contact the procurement office by sending a message through the correspondence function.

The closing date for return of tenders is Noon 1.4.2016.
