Wales and West Utilities Ltd (WWU) is a gas distribution business and employs approx 1 500 people across Wales and the South West of England.

WWU requires supply of 26T and 32T Heavy Goods Vehicles in Tipper Chassis configuration, to include integrated Grab Cranes, in the following quantities:

2015 - 26T: 7; 32T: 3

2016 - 26T: 6; 32T: 1

2017 - 26T: 6; 32T: 1

2018 - 26T: 3; 32T: 1

2019 - 26T: 5; 32T: 1

2020 - 26T: 4; 32T: 1

The assembly and configuration of the vehicles is to be managed and coordinated through a single service provider.

For 2015 requirements, deliveries of completed vehicles are expected to begin from September 2015

WWU invites economic operators capable of delivering this requirement to register on its online procurement portal (www.sourcing4wwu.bravosolution.co.uk) and complete the Pre-Qualification Questionnaire titled PQQ WWU0743 Supply of Heavy Goods Vehicles.

The PQQ closes at 12:00 on Friday 13.3.2015. No requests for information, expressions of interest, or PQQ submissions will be accepted after this deadline. Submission of a PQQ response does not guarantee inclusion in the ITT.

no

VI.3. Additional information

Applicants responding to this Notice, who satisfy the conditions as indicated in Section III, will be invited to take part in a comprehensive tender process. This tender process will determine whether applicants can provide an economically advantageous service to the client, which may lead to an award of contract.

Applicants must provide details of a single point of contact including an electronic mail address that will be used for further communications. Any communications from applicants, including the request to participate, must be by electronic mail or letter to the address shown in I.1.

Applicants are advised that the contract duration indicated in II.3. is an indicative period under consideration. The dates and associated conditions will be stipulated in the Invitation to Tender.

Applicants should note that Wales and West Utilities employ an eSourcing system and all participants will be required to use this system whilst tendering.

Further information on the eSourcing system will be provided at tender stage.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: Wales and West Utilities will incorporate a minimum 10 calendar day standstill at the point of information on the award of the contract is communicated to tenderers. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into. Applicants have 2 working days from notification of the award decision to request additional debriefing and that information has to be provided a minimum of 3 working days before expiry of the standstill period.

Such additional information should be requested from the address in section I.1.

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

25.2.2015
