

United Kingdom-Bridgwater: Industrial machinery

OJ S 44/2014 04/03/2014

Contract notice

Supplies

Directive 2004/18/EC

## Section I: Contracting authority

---

### I.1. Name and addresses

Official name: Bridgwater College

Postal address: Bath Road

Town: Bridgwater

Postal code: TA6 4PZ

Country: United Kingdom

For the attention of: Mark Fitzmaurice

E-mail: [fitzmauricem@bridgwater.ac.uk](mailto:fitzmauricem@bridgwater.ac.uk)

Telephone: +44 1278441252

Fax: +44 1278444363

#### Internet address(es):

General address of the contracting authority: [www.bridgwater.ac.uk](http://www.bridgwater.ac.uk)

#### Additional information can be obtained from:

the abovementioned address

**Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained from:**

the abovementioned address

**Tenders or requests to participate must be submitted:** the abovementioned address

### I.2. Type of the contracting authority

### I.3. Main activity

Education

### I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

## Section II: Object of the contract

---

### II.1. Description

#### II.1.1. Title attributed to the contract by the contracting authority

Engineering Workshop Machinery, Tools and Consumables.

#### II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

NUTS code UK United Kingdom

#### II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

#### II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement  
: 5

**Duration of the framework agreement**

Duration in years: 3

**Estimated total value of purchases for the entire duration of the framework agreement**

Estimated value excluding VAT:

Range: between 300 000 and 700 000 GBP

**II.1.5. Short description of the contract or purchase(s)**

Bridgwater College is looking to set up a 3-year Framework Agreement to supply Engineering machinery, tools, consumables and service and maintenance. The requirement is divided into 4 lots described below. There may be up to 5 suppliers appointed to the framework.

**II.1.6. CPV code(s)**

42000000 Industrial machinery

**II.1.7. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: no

**II.1.8. Lots**

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

**II.1.9. Information about variants**

Variants will be accepted: yes

**II.2. Scope of the procurement**

**II.2.1. Total quantity or scope**

Bridgwater College is looking to set up a 3-year Framework Agreement to supply Engineering machinery, tools, consumables and service and maintenance. The requirement is divided into 5 lots described below. There may be up to 5 suppliers appointed to the framework.

Bridgwater College has a thriving Engineering department located in its flagship facility, the Energy Skills Centre, which was opened by the Secretary of State for Climate Change in January 2011.

Since then, the number of Engineering students at the College has more than doubled, and the training programmes on offer range from Engineering apprenticeships right through to HNCs HNDs and degree level programmes, and cover areas such as computer aided design, manufacturing and production technologies, electrical and electronic engineering, robotics and control engineering, mechanical, maintenance, welding and fabrication, aerospace or automotive. Short courses in lean, BIT, parametric solid modelling, welding, machining and CAD are also available.

To demonstrate its commitment to the promotion of engineering training in the South West, Bridgwater College is delighted to be joining the Engineering Innovation Network South West in supporting innovation for small to medium sized companies. As a leading training provider with an excellent reputation for providing business training solutions, we are delighted to be able to share our expertise in order to drive, develop and deliver business benefits to a wider range of engineering businesses, whilst giving our students some valuable industry experience. With courses ranging from computer aided design, manufacturing and production technologies, electrical and electronic engineering, robotics and control engineering, mechanical, maintenance, welding and fabrication, aerospace or automotive, we have full-time

courses and apprenticeships to suit every need.

The College has a requirement to kit out a new workshop. The new workshop will be situated in our current Realistic Working Environment. It will facilitate the practical application of skills on full time, part time and apprenticeship courses for a range of learners. Within the space will be a range of engineering machinery shown below.

The deadline for delivery of this equipment will be Mid August 2014. They will need to be commissioned by Late August 2014.

The College is looking for full service and maintenance on machinery and supply of consumables. The college will require delivery, off loading, installation, commissioning and training.

The required items below are provided with a basic specification at this stage. The full specifications will be given at the tender stage. Suppliers expressing an interest must clearly state which lot or lots they are interested in.

Lot 1 Engineering tables and Coolant Mixing tank.

- 18 Hand tool Benches Heavy duty benches, 2 000 mm x 910 mm, 845 mm high, to include vices

- 1 Marking out table 40 mm thick steel

- 1 Large Coolant Mixing tank for workshop machines. It should be plumbed into the mains water supply with a small break tank to avoid contamination.

Lot 2 Engineering equipment

- 14 Lathes

- 10 Milling machines. These must include digital readouts, air brake and a full bed guard

- 1 CNC Lathe and associated IT

- 3 Floor mounted pillar drills

- 1 Hydraulic Bandsaw

- 1 Off hand Grinder

Lot 3 Engineering Tools

- To include but not limited to 10 of each of the following: steel hammers, hacksaws, Pliers, Mole Grips, Bearing Puller, Reamers, Toolboxes, G-Clamps.

- Measurement tools

- Drilling and thread cutting tools

- Tools for the Machine Tool Cupboard.

Lot 4 Rapid Prototyping/Additive Layer Prototyping Machine

- Minimum Build Part Size 300 300 300 mm

- Power Supply Single or 3 Phase

- Dedicated PC included: Yes.

## **II.2.2. Information about options**

## **II.2.3. Information about renewals**

## **II.3. Duration of the contract or time limit for completion**

Information about lots

Lot No: 1

Lot title: Engineering tables and Coolant Mixing Tank

### **1) Short description**

18 Hand tool Benches – Heavy duty benches, 2 000 mm x 910 mm, 845 mm high, to include vices.

1 Marking out table – 40 mm thick steel.

1 Large Coolant Mixing tank for workshop machines. It should be plumbed into the mains water supply with a small break tank to avoid contamination.

**2) CPV code(s)**

42000000 Industrial machinery

**3) Quantity or scope**

**4) Indication about different time frame or duration**

**5) Additional information about lots**

Lot No: 2

Lot title: Engineering Equipment

**1) Short description**

14 Lathes

10 Milling machines. These must include digital readouts, air brake and a full bed guard.

1 CNC Lathe and associated IT.

3 Floor mounted pillar drills.

1 Hydraulic Bandsaw.

1 Off hand Grinder.

**2) CPV code(s)**

42000000 Industrial machinery

**3) Quantity or scope**

**4) Indication about different time frame or duration**

**5) Additional information about lots**

Lot No: 3

Lot title: Engineering tools

**1) Short description**

To include but not limited to 10 of each of the following- steel hammers, hacksaws, Pliers, Mole Grips, Bearing Puller, Reamers, Toolboxes, G-Clamps.

Measurement tools.

Drilling and thread cutting tools.

Tools for the Machine Tool Cupboard.

**2) CPV code(s)**

42000000 Industrial machinery

**3) Quantity or scope**

**4) Indication about different time frame or duration**

**5) Additional information about lots**

Lot No: 4

Lot title: Rapid Prototyping Additive Layer Prototyping Machine

**1) Short description**

Minimum Build Part Size 300 x 300 x 300 mm.

Power Supply Single or 3 Phase.

Dedicated PC included? Yes.

- 2) **CPV code(s)**  
42000000 Industrial machinery
- 3) **Quantity or scope**
- 4) **Indication about different time frame or duration**
- 5) **Additional information about lots**

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions related to the contract**

##### **III.1.1. Deposits and guarantees required**

##### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

##### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

##### **III.1.4. Contract performance conditions**

#### **III.2. Conditions for participation**

##### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

##### **III.2.2. Economic and financial ability**

##### **III.2.3. Technical and professional ability**

##### **III.2.4. Information about reserved contracts**

#### **III.3. Conditions specific to services contracts**

##### **III.3.1. Information about a particular profession**

##### **III.3.2. Information about staff responsible for the performance of the contract**

### **Section IV: Procedure**

---

#### **IV.1. Type of procedure**

##### **IV.1.1. Type of procedure**

Restricted

##### **IV.1.2. Information about the limits on the number of candidates to be invited**

Envisaged number of candidates: 10

##### **IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue**

#### **IV.2. Award criteria**

##### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

**IV.2.2. Information about electronic auction**

An electronic auction will be used: no

**IV.3. Administrative information**

**IV.3.1. File reference number attributed by the contracting authority**

SHMF\_OB001

**IV.3.2. Previous publication concerning this procedure**

no

**IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document**

Payable documents: no

**IV.3.4. Time limit for receipt of tenders or requests to participate**

4.4.2014

**IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates**

**IV.3.6. Languages in which tenders or requests to participate may be submitted**

English.

**IV.3.7. Minimum time frame during which the tenderer must maintain the tender**

**IV.3.8. Conditions for opening of tenders**

**Section VI: Complementary information**

---

**VI.1. Information about recurrence**

This is a recurrent procurement: no

**VI.2. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

**VI.3. Additional information**

**VI.4. Procedures for review**

**VI.4.1. Review body**

Official name: Bridgwater College

**VI.4.2. Review procedure**

Precise information on deadline(s) for review procedures: Bridgwater College.

**VI.4.3. Service from which information about the review procedure may be obtained**

**VI.5. Date of dispatch of this notice**

28.2.2014
