Tenders or requests to participate must be submitted to the abovementioned address

I.4. Type of the contracting authority

Regional or local authority

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Draft Project, Froland Secondary School

II.1.2. Main CPV code

71240000 Architectural, engineering and planning services

II.1.3. Type of contract

Services

II.1.4. Short description

Froland Municipality's population is growing and the current secondary school is expecting a large year group in 2 years time. The current school does not have sufficient capacity. New norms and requirements for areas, special rooms and group rooms require an overall plan that shows how an extension and alterations to the current building can together meet the secondary school's needs for space.

Froland Municipality therefore needs architect/consultancy services for the preparation of a draft project for alterations and an extension that includes solution proposals with drawings, a room programme and calculations.

The procurement also includes an option for the preliminary project with the tender documentation (service specification/function description), if the project gets political approval. All disciplines will be included in the tender. For further information about the contents of the procurement, please see section II annex 1.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71320000 Engineering design services

II.2.3. Place of performance

NUTS code: NO041 Aust-Agder

II.2.4. Description of the procurement

Froland Municipality's population is growing and the current secondary school is expecting a large year group in 2 years time. The current school does not have sufficient capacity and the room plan is not ideal. New norms and requirements for areas, special rooms and group rooms require an overall plan that shows how an extension and alterations to the current building can together meet the secondary school's needs for space.

Froland Municipality therefore needs architect/consultancy services for the preparation of a draft project for alterations and an extension that includes solution proposals with drawings, a room programme and calculations. The draft project will be presented to the municipal council, which will decide whether this will be an investment project that the municipality will start.

The procurement also includes an option for the preliminary project with the tender documentation (service specification/function description), if the project gets political approval. All disciplines will be included in the tender. For further information about the contents of the procurement, please see section II annex 1.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Competence and experience. / Weighting: 60

Price - Weighting: 40

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 12

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Option for the preliminary project.
