II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

The Department for International Development (DFID) are seeking a service provider to provide technical quality assurance and review of services under a new programme — Technical Review and Monitoring Panel (TRAMP). DFID have a current programme, The Ethiopian Investment Advisory Facility (EIAF), which is a technical assistance programme providing consultancy services to government ministries and agencies who are involved in planning and implementing public investment activities. The technical assistance provided is

flexible and based on demand from government; specific requests for technical assistance are considered on a rolling basis. The major theme of EIAF is to support the Government of Ethiopia to strengthen the effectiveness of its public investment. At a sectoral level the programme will focus on 3 broad areas: trade logistics, energy and urban development. The TRAMP service provider will be responsible for technical quality assurance and review of services delivered through EIAF. This includes TA delivered through the main facility, which is managed by a service provider and delivered through the EIAF grant window. Delivery of services will be through six-monthly technical review and monitoring reports scrutinising programme outputs. The TRAMP will also be responsible for delivering 2 more in-depth reviews: a mid-term review and an end of programme review. These reviews will have focus on learning lessons and improving programme performance. Interested parties should register on the DFID Portal and search for procurement reference 'PO 7577' to view all related documents, and should use the 'Dialogue/ Clarification' function on the DFID Portal to raise any initial questions.

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.2. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the resulting contracts will be awarded on the basis of the most economically advantageous tenders, in line with the strategic priorities outlined in the ToR. Tender documents including draft terms of reference are available in our Supplier Portal. However, only Registered Suppliers can access these documents. Details on Supplier Portal and guidance to register can be found in: <http://www.dfid.gov.uk/Work-with-us/DFID-portal/> Expressions of interest should be via the DFID portal: <http://www.dfid.gov.uk/Working-with-DFID/Procurement/DFID-portal/> using

the PQQ guidance available. Programme staff should not be contacted directly. Following assessment of PQQ, DFID will invite shortlisted applicants to submit full technical and commercial proposals and inform applicants not short-listed that they are unsuccessful. If circumstances require further extension beyond the original contract duration/agreed extensions, DFID will consider doing so by means of the negotiated procedure where necessary conditions can be met. From 1.4.2001, all UK development assistance has been fully untied which allows suppliers from anywhere in the world to bid for DFID contracts.
