the abovementioned address

**Tenders or requests to participate must be submitted:** the abovementioned address

**I.2. Type of the contracting authority**

Regional or local authority

**I.3. Main activity**

General public services

**I.4. Contract award on behalf of other contracting authorities**

The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description****II.1.1. Title attributed to the contract by the contracting authority**

Framework agreement for excavator services.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 27: Other services

Main site or place of performance: Akershus.

**II.1.3. Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

**II.1.4. Information about framework agreement**

Framework agreement with a single operator

**Duration of the framework agreement**

Duration in years: 2

**Estimated total value of purchases for the entire duration of the framework agreement**

Frequency and value of the contracts to be awarded: In 2015 there were approx. 100 projects that involved the use of an excavator. The number of assignments is only a guideline for the contracting authority and it will vary with the activity in the area. Builders are free to use the contracting authority's framework agreement, but can choose to provide their own excavator if they deem it to be advantageous.

The archaeological registrations that Akershus county carries out can vary in extent from one day to comprehensive projects lasting for several years.

The volume indication is only a guideline and does not obligate the contracting authority.

**II.1.5. Short description of the contract or purchase(s)**

The contracting authority shall enter into a framework agreement with one tenderer who can provide excavator services in accordance with the requirement specifications.

**II.1.6. CPV code(s)**

43261000 Mechanical shovels, 43200000 Earthmoving and excavating machinery, and associated parts, 43260000 Mechanical shovels, excavators and shovel loaders, and mining machinery, 43262100 Mechanical excavators
