Regional or local authority

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

EByggesak [eBuilding Application] System for the Municipalities of Herøy, Alstahaug, Leirfjord, Dønna, Grane, Hattfjelldal and Vefsn
Reference number: Saksnr. 2019/2315

II.1.2. Main CPV code

48311000 Document management software package

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Nordland Municipalities, Herøy, Alstahaug, Dønna, Grane, Hattfjelldal and Vefsn, extend an invitation to participate in a competition for the procurement of a case management system for the building application offices in the municipalities. These 7 municipalities are to be considered as the contracting authority or the client. An interaction contract has been signed between the 7 municipalities to implement a joint procurement of a new case management system based on KS' product specification eBuilding Application. The HALD municipalities (Herøy, Alstahaug, Leirfjord and Dønna) intend to sign a contract with the tenderer who delivers the best offer, but Grane, Hattfjelldal and Vefsn retain the right to exercise options to sign a contract with tenderer.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

48219300 Administration software package, 48311000 Document management software package, 48329000 Imaging and archiving system, 72212222 Web server software development services, 72212311 Document management software development services, 72230000 Custom software development services, 72317000 Data storage services, 72512000 Document management services

II.2.3. Place of performance

NUTS code: NO0 Norge

NUTS code: NO071 Nordland

Main site or place of performance: Sandnessjøen in Alstahaug Municipality.

II.2.4. Description of the procurement

The Nordland Municipalities, Herøy, Alstahaug, Dønna, Grane, Hattfjelldal and Vefsn, extend an invitation to participate in a competition for the procurement of a case management system for the building application offices in the municipalities. These 7 municipalities are to be considered as the contracting authority or the client. An interaction contract has been signed between the 7 municipalities to implement a joint procurement of a new case management system based on KS' product specification eBuilding Application. The procurement will be implemented so that each of the 7 individual collaborating municipalities can sign their own contract with the same supplier for the establishment and ongoing service deliveries of an eBuilding application system.

The Hald Municipalities (Herøy, Alstahaug, Leirfjord and Dønna) intend to sign a contract with the tenderer who delivers the best offer, but Grane, Hattfjelldal and Vefsn retain the right to exercise options to sign a contract with tenderer.

Alstahaug Municipality is responsible for the coordination of the procurement sequence and will be until the selection of tenderer takes place.

The primary purpose and motivation of the procurement is the contracting authority's focus on simplification and digitising. The aim is to procure a building application system that can make the every day easier for case handlers, the municipality's inhabitants and industry. This wish must also be seen in the context of necessary environmental considerations and efficiency goals in the 7 listed municipalities.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/10/2020 End: 30/09/2023

This contract is subject to renewal: yes

Description of renewals:

The contract will be automatically renewed for 1 year at a time until notice is given by one of the parties.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The municipalities of Hattfjelldal, Grane and Vefsn have the option to join the contract.

II.2.12. Information about electronic catalogues

Tenders must be presented in the form of electronic catalogues or include an electronic catalogue

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

In order to have their tender evaluated, the tenderer must complete the electronic self-declaration form about whether they fulfil all of the qualification requirements set in the tender documentation.

The selected tenderer must, prior to signing the contract documents, fulfil the qualification requirements in accordance with the tenderer who is chosen to sign a contract must document fulfilment of the qualification requirements in accordance with the stated documentation requirements.

When using subcontractors, the ESPD form must also be completed by any subcontractors. If the tenderer relies on the capacity of other businesses to fulfil the economic and financial capacity requirements, it must be documented that the tenderer has authority over the necessary resources. This can be documented by, for e.g. Presenting a commitment statement from these businesses.

III.1.2. Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

Selection criteria as stated in the procurement documents

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

Each of the municipalities of Herøy, Alstahaug, Leirfjord, Dønna, Grane, Hatffjeldal and Vefsn have the right to sign a contract with the tenderer who wins the competition. This means that the contract can result in up to 7 municipalities each signing their own contract with the winning tenderer.

As previously mentioned, Grane, Hatffjeldal and Vefsn retain the right to exercise the option to sign a contract with the tenderer who delivers the best tender offer.

The contract terms will be regulated by a contract for ongoing service procurement over the internet.

(SSA-L).

Section IV: Procedure
