Reference number: 20/245

II.1.2.

Main CPV code

72000000 IT services: consulting, software development, Internet and support

II.1.3. Type of contract

Services

II.1.4. Short description

The Norwegian Government Agency for Financial Management (Norwegian abbreviation DFØ) wants to offer our customers and the administration an improved platform for exchanging data and at the same time keep the impact on the source systems as low as possible. We want to be able to deliver user-friendly and useful reports and analysis opportunities to clients, the management and the public that easily provides access and insight to the broad spectrum of data that the Norwegian Government Agency for Financial Management possesses. This may e.g. include making purchase, HR, payroll and accounting information available, without influencing important supply of services.

We currently have a purchasing system for consultancy services within the same area. This system is for executing consultancy services within data analysis, data management and data security.

II.1.5. Estimated total value

Value excluding VAT: 100 000 000,00 NOK
