On behalf of the Contracting Authority; Orkdal municipality, Bergen Energi AS will implement a competition for the provision of electricity.

Please see the attached tender documentation.

All tenders must be submitted electronically via the MerCell portal at www.mercell.no by the tender deadline. Late tenders will be rejected. (The system does not allow tenders to be sent in electronically via MerCell subsequent to the deadline for receipt of tenders).

If you are not a MerCell user, or you have any questions related to functionality of the system, e.g. how to submit tenders, please contact MerCell Support on tel: (+47) 21 01 88 60 or by e-mail to: support@mercell.com

It is recommended that the tender is delivered well before the deadline expires, for example, at least one hour before the tender deadlines expires.

In the event that additional information from the Contracting Authority leads to you wanting to revise your tender before the tender deadline expires, you can go in and open the tender, make changes and resubmit right up until the tender deadline expires. The last submitted tender will be considered the tender of record.

The tender requires an electronic signature upon delivery.

During the submission of the tender you will be asked for an electronic signature to prove that it is the actual tenderer who has sent the tender. You can obtain an electronic signature at www.commfides.com www.buypass.no or www.bankid.no

Please note that it may take several days for the electronic signature to be delivered to you and as such this process should be initiated as soon as possible.

The Contracting Authority uses MerCell Sourcing Service. To express your interest and gain access to any documents, please click on the link below or copy and paste the link into your browser. [<http://permalink.mercell.com/57039234.aspx>]. Then follow the instructions on the website.
