II.1. Scope of the procurement**II.1.1. Title**

Procurement of consultancy services within project management and construction management

Reference number: 2022/236

II.1.2. Main CPV code

72224000 Project management consultancy services

II.1.3.

Type of contract

Services

II.1.4. Short description

The contracting authority would like to create a framework agreement with one tenderer to cover their need to procure consultancy assistance in the form of project management and construction management for buildings and plants within the waste industry.

There is a need for project and construction managers with competence and experience in building and plant projects at or near landfills, construction and decommissioning of landfills, and other upcoming assignments related to their daily operation.

Project managers and construction managers will assist Sirkula with necessary services in connection with construction and new buildings, as well as be Sirkula's representative in needs assessments, application processes, design and implementation of various building and construction projects. See Annex 1 for details about the services.
