Telephone: +47 75113950

Internet address(es):

Main address: <https://permalink.mercell.com/195280054.aspx>

Address of the buyer profile: <http://www.shmil.no/>

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://permalink.mercell.com/195280054.aspx>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/195280054.aspx>

I.4. Type of the contracting authority

Other type: Inter-municipal company

I.5. Main activity

Other activity: Waste Management

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Transport, reception, and treatment of impregnated wood and wood containing creosote.

Reference number: 2023-01

II.1.2. Main CPV code

90512000 Refuse transport services

II.1.3. Type of contract

Services

II.1.4. Short description

The contest is for tenders for the transport, reception, and treatment of impregnated wood and wood containing creosote. The origin of the waste will be from both households and businesses.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

90520000 Radioactive-, toxic-, medical- and hazardous waste services, 90513000 Non-hazardous refuse and waste treatment and disposal services

II.2.3. Place of performance

NUTS code: NO071 Nordland

Main site or place of performance: Vefsn Municipality

II.2.4. Description of the procurement

Impregnated wood collected from household customers and business customers. The materials are currently milled to a size of to 0-300 mm before loading, and this can be continued. Other more cost efficient and environmentally effective solutions can be offered if they do not create extra work for SHMIL during storage and loading.

Material containing creosote from business companies. Large units are not milled, but loaded on a vehicle in their entirety.

See the attached tender documentation and annexes for further information.

II.2.5. Award criteria

Criteria below

Price

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

Option for one year + one year.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contract can be extended for 1 + 1 year.

Option for zero emission vehicles or biofuel.

SHMIL would like to have the option in the contract period to go over to transport with zero emission solutions or biofuel (biogas/bioetanol) if the required infrastructure for charging/filling is put in place. Such a change will be assessed and agreed in consultation with the tenderer.

II.2.13.

Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register or trade register in the country where the tenderer is established. As described in annex XI of directive 2014/24/EU; tenderers from certain member countries can be required to fulfil other requirements in the mentioned annex. A responsible representative in Norway is required.

The tenderer must have a responsible representative in Norway that, in accordance with the current contract, will take on the entire and full liability for contract follow-up.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Experience from similar assignments.

The portion of the contract to be performed by sub-suppliers.

There are requirements to the vehicles that are used in the assignment.

Minimum level(s) of standards possibly required:

Tenderers must have minimum one years experience from equivalent assignments, and are asked to provide information on this.

Tenderers must state whether part of the contract will be outsourced to sub-suppliers.

The vehicles that are used in the assignment must have minimum a Euro 6 engine.

Section IV: Procedure

IV.1. Description
