**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

**II.1.4. Short description of the contract or purchase(s)**

Selwood Housing is looking for a supplier to evaluate the current ICT Service and Selwood Housings future business objectives to provide a cost effective Managed Service covering the full scope of Selwood Housings ICT requirements. This should deliver a resilient, scalable and cost effective ICT Service, including both computer and voice telephony functionality which is responsive to the business needs of Selwood Housing. The scope includes: 1) Computer

infrastructure to meet Selwood Housings server and storage requirements, 2) Hosting of all infrastructure including resilient wide area network connections from Bryer Ash office to the proposed hosting centre, 3) Operations support of hosted infrastructure including backup and restore, 4) Voice infrastructure to support Selwood Housings business users and call centre, this may be delivered through a fully hosted or fully on-premise solution or a combination of both, 5) Business continuity services for hosted infrastructure and voice, 6) Local area network equipment (excluding cabling) at Bryer Ash office, 7) Thin or zero client desktop devices, 8) Implementation of the proposed infrastructure and knowledge transfer training for Selwoods ICT Team, 9) Configuration of the new infrastructure including any necessary or recommended reconfiguration of Active Directory, Exchange Services and other similar services which may impact on the performance or operation support requirements for the ICT Service.

**VI.1. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

**VI.2. Additional information****VI.3. Procedures for review****VI.3.1. Review body****VI.3.2. Review procedure**

Precise information on deadline(s) for review procedures: The contracting authority will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

**VI.3.3. Service from which information about the review procedure may be obtained****VI.4. Date of dispatch of this notice**

7.3.2013
