II.2.4. Description of the procurement

The overarching aim and objective is to deliver a pro-active approach to child accident prevention and fire safety; ensure that families are safeguarded and supported with onward referrals if required, for example, specialist domestic abuse agencies, housing, family support, to reduce the risks to vulnerable families living in South Yorkshire.

Key objectives are:

- to assess homes in regard to safety and to provide and fit home safety equipment free of charge to vulnerable families
- to prevent accidents involving children in their own home,
- to provide home safety and child accident prevention advice to parents/carers to help prevent childhood injuries/illness,
- to provide a 'safe and well' check — including the testing/provision of smoke detectors — to reduce fires in the homes of vulnerable families,
- to actively refer any safeguarding concerns to the relevant organisations in South Yorkshire,
- to refer families to other local organisations for support/advice as appropriate
- to help families access the services they need,
- to provide additional information on local organisation's services/support available to families with young children in South Yorkshire as agreed with SYFR and other local South Yorkshire partners.
