The basic principles that mirror that of the Open Procedure were followed for this procurement to test the capacity, capability, and technical competence of bidders in accordance with The Public Contracts Regulations 2015 (SI 2015 No:102).

“Under the Public Services (Social Value) Act 2012 Contracting Authorities must consider:

(a) How what is proposed to be procured might improve the economic, social, and environmental well-being of the area where they exercise their functions; and

(b) How, in conducting the process of procurement, they might act with a view to securing that improvement.

Accordingly, the subject matter of the contracts have been scoped to take into account the priorities of the Contracting Authorities relating to “economic, social, and environmental well-being”.

(MT Ref: 193049).
