### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

All the economic operators envisaged by art. 45 of Legislative Decree No. 50/2016, including competitors specifically and temporarily grouped pursuant to art. 45, paragraph 2, lett. d) of Legislative Decree No. 50/2016 and aggregations between companies participating in the network contract pursuant to art. 45, paragraph 2, lett. f) of Legislative Decree No. 50/2016.

(a) for temporary groupings of companies, under penalty of exclusion, it is required:

1) R.T.I. not formally established for participation in the tender:

The request must:

- be signed jointly by the legal representatives of all the companies constituting the grouping,
- specify the parts of the supply that will be performed by the individual companies (the agent, in any case, must meet the requirements and perform the services to a majority extent, pursuant to Article 83, paragraph 8 of Legislative Decree No. 50/2016),
- indicate the company that will take on the role of agent,
- contain the commitment that, in the event of awarding the tender, the same companies will comply with the provisions of art. 48 of Legislative Decree No. 50/2016,
- each company that constitutes the grouping must enclose its own documentation, as prescribed in the following point III.2);

2) R.T.I. formally established for participation in the tender:

Notarial deed from which, among other things, results:

- the conferment of the special collective mandate with representation to the company among those gathered as qualified,
- the specification of the parts of the supply that will be performed by the individual companies (the agent, in any case, must possess the requisites and perform the services to a majority extent, pursuant to Article 83, paragraph 8 of Legislative Decree No. 50/2016),
- the application must be signed by the legal representative of the assignee company,
- each company that constitutes the grouping must enclose its own documentation, as prescribed in the following point III.2).

For the purposes of qualification, the articles 48 and 83 of Legislative Decree No. 50/2016.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Each competitor must present, together with the application form and penalty for exclusion from the tender, the following documentation:

— certification of quality ISO 9001:2015 valid from the date of submission of the application for participation, or self-certification of the legal representative, drawn up pursuant to and for the effects of the D.P.R. n. 445/2000, with the modalities of which to the art. 38, paragraph 3, which certifies its possession. In case of ISO 9001:2015 certification expired validity, the same must be submitted together with the renewal application before the deadline of this announcement: the admission of the competitor will be subject to presentation, within the deadline of the offer, of the new certification ISO 9001:2015 valid in validation or proof of the positive result of the Audit,

— self-certification of the legal representative, drawn up pursuant to and for the effects of the D.P.R. No. 445/2000, with the modalities of which to the art. 38 paragraph 3, attesting to have commercialized boats with similar characteristics to those contracted (for size and performance) in the last 5 years, accompanied by the data of patrol boats and buyers,

— self-certification of the legal representative, drawn up pursuant to and for the effects of the D.P.R. No. 445/2000, with the modalities of which to the art. 38 paragraph 3, certifying that the naval platform has already been tested at sea on specimens already produced with similar propulsion system (see characteristics listed in para 2.1 "Technical characteristics of the unit" of the technical specifications placed at the tender base), accompanied from the data of patrol boats and buyers.

## **Section VI: Complementary information**

---

### **VI.1. Information about recurrence**

This is a recurrent procurement: no

### **VI.2. Information about electronic workflows**

Electronic invoicing will be accepted

### **VI.3. Additional information**

(a) the procurement procedures referred to in this announcement have been authorized — pursuant to art. 32, co. 2, of Legislative Decree No. 50/2016 — with determines to contract No. 860 R.U.A. on 29.11.2018,

(b) the competition will be carried out according to the procedures established by the Legislative Decree No. 50/2016 and will also be awarded in the case of a single valid offer, taking into account the particular complexity of the supply that could limit participation in the tender to a small number of highly specialized economic operators in the sector,

(c) requests to participate (in 16,00 EUR stamp if formulated in Italy), under penalty of exclusion from the competition, will have to:

— to arrive at the General Command of the Carabinieri — Centro Unico Contrattuale, together with all the required documentation, within the peremptory deadline indicated in para. IV.3.4), exclusively at the address P.E.C. [crm42527@pec.carabinieri.it](mailto:crm42527@pec.carabinieri.it). All files transmitted — under penalty of exclusion — must be digitally signed by the legal representative of the competitor or by an attorney with appropriate representation powers (in the latter case the notary power of attorney must also be attached). The foreign economic operator whose legal representative (or attorney) is not in possession of a digital signature, can send — always to the aforementioned address P.E.C. — the original documents signed by the legal representative, duly scanned and digitally signed by the legal representative of another company connected to it. The competitor must pay the stamp duty by payment to F24, indicating the code "2501" called "stamp duty", pursuant to art. 6 of the Decree of the Ministry of the Economy and Finance on 17.6.2014. The payment receipt must be sent together with the remaining documentation, — indicate if it participates in single or associated form (for example in R.T.I., consorzio, etc.) or in use with another company/e,

— be made with the signature of the legal representative, provided with the necessary powers or a procurator with special power of attorney conferred by public deed or private deed authenticated by the notary, to be produced together with the application (in the case of constituting RTI or of aggregations between companies network, refer to the provisions of para III.1.3),

— enclose all the documentation prescribed in para. III.2) (Conditions of participation) digitally signed, with regard to each competing company (even if reunited, consortium, auxiliary or retista participating in the tender),

— indicate the domicile elected for communications (even if it coincides with the registered office), the certified e-mail address and the telephone number (possibly also a mobile telephone number) of the competitor. Competitors located in other member states must indicate the e-mail address to be used for the purposes of communications pursuant to art. 76, paragraph 5 of Legislative Decree No. 50/2016. It should be noted that pursuant to art. 52 of Legislative Decree No. 50/2016, when the economic operator submits the offer on the electronic platform, it will automatically elect domicile in the dedicated "Communications Area" reserved to it, for the purpose of receiving any communication concerning this procedure. They do not bind the Administration of Defense.

It is recommended to specify in P.E.C. the object of the tender (as indicated in point II.1.1.).

All the necessary documentation, as well as the requirements for participation in the tender are available on the website [www.carabinieri.it](http://www.carabinieri.it), in the section "transparent administration", sub-section "calls for tender and contracts", at the following URL: <http://www.carabinieri.it/cittadino/informazioni/gare-appalto/gare-appalto/fornitura-16-motovedette-d'altura-classe-n800>
