Official name: Volda og Ørsta Reinhaldsverk IKS

National registration number: 984068085

Postal address: Torvmyrane 29

Town: Hovdebygda

Postal code: 6160

Country: Norway

**Section II: Object of the contract**

---

**II.1. Description**

**II.1.1. Title attributed to the contract by the contracting authority**

Transport and final treatment of residue waste 2016.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 2: Land transport services [2], including armoured car services, and courier services, except transport of mail

Main site or place of performance: Hovdebygda, Norway.

NUTS code NO0 Norge

**II.1.3. Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

**II.1.4. Information about framework agreement**

Framework agreement with a single operator

**Duration of the framework agreement**

Duration in years: 1

**II.1.5. Short description of the contract or purchase(s)**

Volda og Ørsta Reinhaldsverk IKS would like to use this procurement to get a new contract in place for the transport and final treatment of residue waste. The current contract expires 30.11.2016, so tenders are therefore wanted for the establishment of a new contract starting 1.12.2016. The waste shall, in this contract, be collected from Volda og Ørsta Reinhaldsverk IKS' facility at Torvmyrane 29, 6160 Hovdebygda. The contract will be valid for one year, with an option for 1 + 1 + 1 year. We are choosing to have a short contract period as the company is in the process of a number of changes that will affect the volume and quality of the waste.

**II.1.6. CPV code(s)**

90512000 Refuse transport services, 90513000 Non-hazardous refuse and waste treatment and disposal services

**II.1.7. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

**II.1.8. Lots**

This contract is divided into lots: no

**II.1.9. Information about variants**

Variants will be accepted: no

**II.2. Scope of the procurement**

**II.2.1. Total quantity or scope**

See the tender documentation for the amount. There was approx. 5 000 tons in 2015, of which approx. 3 700 tons was waste from households and approx. 1 200 tons was business waste collected by vehicles. See the tender documentation for further details and for future changes.

**II.2.2. Information about options**

Options: yes

Description of options: See the options for extensions.

An option is also wanted for the collection and final treatment of approx. 2 800 tons business waste, see the tender documentation for further details on this.

### **II.2.3. Information about renewals**

This contract is subject to renewal: yes

Number of possible renewals: 3

In the case of renewable supplies or service contracts, estimated timeframe for subsequent contracts:

in months: 12 (from the award of the contract)

### **II.3. Duration of the contract or time limit for completion**

Start 1.12.2016. Completion 30.11.2017

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions related to the contract**

#### **III.1.1. Deposits and guarantees required**

See the tender documentation.

#### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

See the tender documentation.

#### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

See the tender documentation.

#### **III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

### **III.2. Conditions for participation**

#### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: Qualification requirement 1: Tenderers shall not have tax or VAT arrears. Documentation 1: Tax and VAT certificate. The certificate shall be updated and not older than six months calculated from the tender deadline. Such a certificate can be obtained from [www.altinn.no](http://www.altinn.no)

Qualification requirement 2: Tenderers are required to have a HSE system in the company. Documentation 2: Self-declaration confirming that the tenderer fulfils the statutory requirements in Norway for health, safety and the environment. A HSE self-declaration form is in annex 2.

Qualification requirement 3: Tenderers are required to have a legally established company. Documentation 3: a) A company registration certificate from the Brønnøysund Register Centre shall be enclosed with the tender. b) Companies who are registered in a trade register outside Norway shall enclose other documentation that is relevant in order to legitimise the tenderer's organisational and legal position.

#### **III.2.2. Economic and financial ability**

List and brief description of conditions: Documentation 4: Credit assessment/rating, not older than six months calculated from the tender deadline, based on the last known accounting figures and payment history. The rating shall be carried out by a Norwegian publicly certified credit rating institution.

Minimum level(s) of standards possibly required: Qualification requirement 4: Adequate finances are required to fulfil the contract in question, the minimum requirement is that the tenderer is credit worthy (equivalent to a minimum of B or better in Bisnode's rating system).

### **III.2.3. Technical and professional ability**

List and brief description of conditions:

Documentation 5: A reference list is to be enclosed of the tenderer's most important contracts in the last three years that are relevant to the above requirement. The list shall include the date, customer, approx. volume and a contact person and telephone number for the customer.

Documentation 6: Documentation of access to transport capacity and a treatment facility shall be enclosed with the tender, in addition to an overview of employees and key personnel in the company. Furthermore, there shall be an overview of sub-suppliers included in the capacity for the offered system and proof that they fulfil the qualification requirements for their part of the assignment.

Documentation 7: Describe the quality assurance system, including copies of any certificates etc.

Minimum level(s) of standards possibly required:

Qualification requirement 5 Experience: Experience is required from equivalent assignments /deliveries. Equivalent means assignments for the transport and final treatment of residue waste for treatment facilities in Norway.

Qualification requirement 6 Capacity: Tenderers are required to have sufficient capacity to fulfil the assignments included in the contract. The minimum requirement here is that the tenderer can prove that he, in good time before the start of the contract, has available personnel, transport capacity and treatment facilities to fulfil the contract.

Qualification requirement 7 Quality system: Tenderers are required to have a functioning quality assurance system equivalent to ISO 9000 or similar.
