Regional or local authority

I.5. Main activity

Education

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

18/1370 — Procurement of new Excavators for the national vocational subjects of plant engineering and construction machinery mechanics at Solør sixth form college and Kirkenes sixth form college.

Reference number: 2018/1370

II.1.2. Main CPV code

43261000 Mechanical shovels

II.1.3. Type of contract

Supplies

II.1.4. Short description

The sixth form colleges with national vocational subjects with training offers for plant engineering and plant machinery mechanics plan to procure two new excavators.

As such, the contracting authority requests tender offers on 2 Excavators between 20 and 26 tonne. The school mainly have excavators in the 8 - 21 tonne weight class.

The machines shall be delivered for free to the respect schools:

Kirkenes sixth form college — 9910 Bjørnevatn.

Solør sixth form college — 2435 Braskereidfoss.

The machine shall be delivered at the latest by week 24.2018.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: NO073 Finnmark

NUTS code: NO021 Hedmark

II.2.4. Description of the procurement

The excavators shall also be used for site machine mechanics' education. Access to, and training in the digital system for troubleshooting/diagnostics, as well as reading user data will, therefore, be of decisive importance. In addition access is wanted for relevant components /models for pupil training.

The environmental profile of the excavators is important to us as educational institutions. Thus, emphasis will be put on the environmental class of the engine and options for using renewable diesel, c.f. standard EN 15940.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 23/04/2018 End: 15/06/2018

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer is required to be a legally established company. Tenderers are required to have their tax and VAT payments in order.

Documentation requirement:

- Norwegian companies: Company Registration Certificate.
- Foreign companies: certificate(s) of legal registration in the country of establishment.
- The selected tenderer shall present a tax certificate for VAT and a tax certificate for tax if requested. This only applies if the chosen tenderer is Norwegian. The tax certificate must not be older than six months old at the deadline for submitting a request for participation in the competition or tender.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

As a minimum requirement, the tenderer must not be subject to bankruptcy proceedings, debt negotiations or liquidation or have suspended activity. A good credit rating is required, at least equivalent to a Bisnode (www.solliditetd.no) score 3.

Documentation Requirement: Tenderers shall not attach any documentation. The Contracting Authority will obtain credit rating/financial data itself.

If the tenderer is not credit worthy or if the tenderer wants to document that their credit rating gives a misleading picture of the economic situation, the economic and financial standing can be established with other documentation. Tenderers should particularly justify why the credit rating is not presented or why it gives a misleading picture.

For companies without a score in the Bisnode database, the Contracting Authority will consider the accounting figures in the database and, if necessary, obtain external assistance to assess the tenderer's economic and financial position. Tenderers with temporarily reduced

credit rating due to reported demerger/merge or similar events, must /fission/fusion or equivalent, may be approved.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

a. Experience and good references from at least three similar assignments during the past three years, are required.

Documentation requirements: the tenderer must provide a list of the most important deliveries during the past three years, including information concerning value, date and recipient (name and e-mail). The references will only be contacted if required.

b. Tenderers shall have sufficient implementation ability and capacity.

Documentation requirement: Statements must be submitted indicating the tenderer's average workforce over the last three years and the equipment, machinery, tools, material or technical equipment that are available to the tenderer and will be used to implement the contract /assignment.

Section IV: Procedure
