Internet address(es):

Main address: <http://www.fmi.dk>

I.4. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

Defence

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Overhaul, repair and maintenance of Eagle 6 Crashtender gearboxes.

II.1.2. Main CPV code

50116300 Repair and maintenance services of vehicle gearboxes

II.1.3. Type of contract

Services

II.1.4. Short description

The Danish Defence Acquisition and Logistics Organisation (DALO) requires repair and maintenance of 8 (eight) gearboxes currently installed in Eagle 6 Crashtender airsupport and fire fighting vehicles. The vehicles are earlier models specifically designed for firefighting operations at Danish Military airbases.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 2 000 000,00 DKK

II.2. Description

II.2.3. Place of performance

NUTS code: UK United Kingdom

II.2.4. Description of the procurement

The contract encompasses a one-time acquisition of overhaul, maintenance and repair services for the existing 8 (eight) Eagle 6 Crashtender gearboxes. DALO will dismantle the gearboxes and ship these individually to the service provider who is the only European service provider with knowledge, experience and test equipment for these specific gearboxes. After service, the gearboxes will be shipped back to DALO in Denmark.

II.2.5. Award criteria

Price

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

DALO requires a one time repair and maintenance of 8 (eight) gearboxes currently installed in Eagle 6 Crashtender air support and fire fighting vehicles. The vehicles are earlier models specifically and uniquely designed for firefighting operations at Danish Military air-bases. The gearboxes are not customary in vehicles of these types and thus the operators capable of providing services are limited. DALO will dismantle the gearboxes and ship these individually to the service provider who is the only European service provider with knowledge, experience and test equipment for these specific gearboxes. The service provider must have specific knowledge of the unique gearboxes in order to conduct the overhaul, maintenance and repair. In addition, the service provider must have specific knowledge with calibration and must have the correct test equipment as well as access to the custom-made spare parts for these specific gearboxes. After service, the gearboxes will be shipped back to DALO in Denmark. DALO has made a market enquiry and has been referred to one operator in Europe alone.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2017/S 024-042328](#)

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice

Section V: Award of contract

Title:

Overhaul, repair and maintenance of Eagle 6 Crashtender gearboxes

A contract/lot is awarded: yes

V.2. Award of contract

V.2.1. Date of conclusion of the contract

02/03/2017
