The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description**

**II.1.1. Title**

Procurement 46/2015 Condition assessment of elevated basins in Oslo municipality.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Oslo.

NUTS code NO011 Oslo

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

**II.1.4. Short description of the contract or purchase(s)**

The background for the assignment is the need to map the danger of penetration of foreign

water in Oslo municipality's elevated basins for drinking water. The elevated basins are partly concrete basins and partly raw blasted rock halls. The assignment consists of reporting the constructional and engineering geological condition and the need for measures in the agency's elevated basins with a view to the surrounding area's effect on the water quality. See annex 1 Specifications.

**II.1.5. CPV code(s)**

71300000 Engineering services
