Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

External review of Follobanen closure

Reference number: 23/309

II.1.2. Main CPV code

73220000 Development consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

SD will carry out an external review to thoroughly review the reasons why Follobanen had to be closed shortly after opening on 11 December 2022. The purpose of the review is to obtain a complete picture of the incidents and reasons and assess necessary measures to avoid such a thing happening again.

The review will include both the course of events leading up to the incident that led to the track having to close and assess Bane NOR's handling of the situation that arose after the incident and up to the track opening. The review will assess project management in Bane NOR SF (Bane NOR), including the systems and culture for managing risk/deviations and sharing information, and practical compliance with these.

The review will be delivered as a report to SD and presentations of the report. A first draft of the report must be submitted by 1 June 2023, and the final version must be submitted by 22 June 2023.

II.1.5. Estimated total value

Value excluding VAT: 3 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be a legally established company.

Documentation:

Norwegian companies: Company registration certificate from the Unit Register for single-person companies that are not required to register.

Foreign tenderers: Verification that the company is registered in an industry or business register as prescribed by the law of the country where the tenderer is established.

Confirmation can be delivered in writing or by reference to BRIS.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have sufficient ability and experience to be able to execute a contract of a similar nature and scope.

Documentation: A description of up to three of the tenderer's most relevant assignments in the last three years, together with information on the contract's value, date of delivery or execution, and the name of the recipient (if possible).

Relevant assignments means assignments within the management and organisation of government, state-owned and/or comparable enterprises, and major development projects in the transport sector. Tenderers are responsible for ensuring that the description is of such a nature that it verifies that the requirement has been met.

III.2. Conditions related to the contract

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1. Description
