This contract is divided into lots: yes
Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

Low Voltage Electrical Systems Works
Lot No: 1

II.2.2. Additional CPV code(s)

45310000 Electrical installation work, 45311000 Electrical wiring and fitting work, 45311100 Electrical wiring work, 45311200 Electrical fitting work, 45317000 Other electrical installation work, 45317200 Electrical installation work of transformers, 50532000 Repair and maintenance services of electrical machinery, apparatus and associated equipment, 50532400 Repair and maintenance services of electrical distribution equipment, 51110000 Installation services of electrical equipment, 71300000 Engineering services, 71314100 Electrical services , 71334000 Mechanical and electrical engineering services

II.2.3. Place of performance

NUTS code: IE Éire / Ireland

II.2.4. Description of the procurement

Iarnrod Éireann (IÉ), a subsidiary of Córas Iompair Éireann (CIÉ) — (a statutory body which provides bus and rail public transport for passengers and rail freight services) — will require the services of suitably qualified electrical contractors to undertake the installation of new and or replacement of existing electrical assets throughout Ireland.

Location types: traction power substations, track paralleling huts and other railway traction settings.

Compliance: the electrical contractors will be required to undertake the design, supply, installation, commissioning and hand over activities in compliance with national and European electrical, mechanical, fire and building regulations and standards.

Certified bodies: The electrical contractors will be required to register with the appropriate supply authorities within Ireland for the provision of new and or alterations to existing electrical systems, supplies and services.

Type of work: the electrical contractors will be required to tender for asset replacement and renewal works in locations that are both occupied and unoccupied such as traction power substations, track paralleling huts and other railway traction settings.

Safe system of work: the electrical contractors will be required to undertake IE Personal Track Safety training for all works on or near the railway lines. In addition all contract staff must be hold valid Permit to access, safe pass and plant and equipment training at all times.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value
