License solution provider and Microsoft licenses.

II.1.2. Main CPV code

66140000 Portfolio management services

II.1.3. Type of contract

Services

II.1.4. Short description

The procurement aims to end up with an LSP that can contribute to the selection of license types, control counting and licenses from MS. Since the pattern of use in the municipalities varies so much, we want a partner who can analyse the current use, and make suggestions for the new good license solutions in this regard. The tenderer negotiates prices with MS on behalf of the contracting authority. The contracting authority wants to utilise new possibilities and solutions, also cloud. Mobile device management and Azure are exciting. In order to have full control of licenses, the contracting authority also wants that call-offs on the agreement can only occur through a contact person who signs the agreement.
