Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

The professional services acquired under this particular contract require the modification of core parts of the SAP software that cannot be modified without SAP's permission by any other IT company. The modification of such components is critical for the integration of SAP software in the IT environment of the participating Institutions. As a result, this sort of technical captivity requires the continued use of SAP products, which in turn requires further contracting

with SAP as the sole holder of exclusive rights regarding SAP software. Therefore, there is no feasible and reasonable alternative to using SAP technology or to contemplate using it without resort to qualified SAP services.
