**I.2. Type of the contracting authority**

Other: port authority

**I.3. Main activity**

Other: operation of harbour and quay facilities

**I.4. Contract award on behalf of other contracting authorities**

The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description**

**II.1.1. Title**

Framework agreement for groundwork.

**II.1.2. Type of contract and place of performance or delivery**

Works

Main site or place of performance: Bergen.

NUTS code NO051 Hordaland

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

The procurement involves the establishment of a framework agreement

**II.1.4. Short description of the contract or purchase(s)**

The framework agreement concerns the execution of groundwork and maintenance in the form of machine/groundwork in connection with the municipality's buildings, facilities and infrastructure with technical operation and maintenance.

Groundwork/maintenance work means i.a. work related to the operation and maintenance of the existing buildings, repair of external W&S pipes in the event of a rupture etc. The framework agreement also includes asphalt and binder course with prices per tonnes. The Contracting Authority is not obliged to purchase materials through this agreement, and may choose to purchase materials elsewhere than through the tenderer's framework agreement when this is more suitable.

All the assignments shall be carried out in cooperation with Bergen og Omland havnevesenet's port operation administration department (hereafter the contracting authority).

Most of the properties make up approx. 45 buildings/properties situated in the central port area in Bergen, in addition to the port authority's building in Nøstegaten 30. See Annex 1a for an overview of the Contracting Authority's buildings.

The contracting authority reserves the right to hold separate competitions for major and/or special assignments.
