II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 4

II.1.5. Short description of the contract or purchase(s)

The German Aerospace Center wants to authorize a supplier in order to carry out maintenance services for the research aircraft Dassault Falcon 20-E5 within a period of 4 years.

Among its fleet of highly modified aircraft the twin engine jet Falcon 20 E covers the largest flight envelope and is one of the few aircraft in Europe which is able to reach the stratosphere well above the cruise altitude of most airliners. The Falcon offers unique modifications and features which make it a true multipurpose sensor platform which can be configured to the individual needs of multiple applications.

II.1.6. CPV code(s)

50211100 Aircraft maintenance services

II.1.7. Information about the Government Procurement Agreement (GPA)
