Services

II.1.4. Short description

An engineering design group shall be procured for the preparation of the tender documentation for respectively a turnkey contract and a main contract for the following initiatives:

Vadsø kommune plans to expand the current residential and welfare centre, with the construction of a new nursing home with 19 places.

A new day centre will also be established, partially by reconstruction and partially by expansion of the existing health centre on the first floor.

Two rehabilitation places shall also be established for drugs and psychiatry in a monitored unit, and three short-time respite places for dementia patients. These shall be established through reconstruction and renovation in the existing health centre, second floor.

Lastly, the existing ward places in the health centre, second floor, shall be renovated, and also a new personnel room shall be established here.

The overall gross area is estimated to be approx. 2 750 m² GFA.

II.1.5. Estimated total value

Value excluding VAT: 3 500 000,00 NOK
