---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Framework Agreement Electrical Installation Works

Reference number: 18/240

**II.1.2. Main CPV code**

45315100 Electrical engineering installation works

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The municipal undertaking for educational buildings and property shall enter into 3-5 parallel Framework Agreements for electrical installation works. The Framework Agreement applies to

improvement works, planned maintenance works and smaller renovation projects that the municipal undertaking for educational buildings and property performs while the school is in operation.

The Framework Agreement is limited in area to the municipal undertaking for educational buildings and property's properties, primarily in Oslo.

The Framework Agreement generally doesn't include works in connection with projects where electrical installation works are carried out as part of a large partial renovation or total renovation project. The Contracting Authority reserves the right to use the Framework Agreement in such projects where this is appropriate.

The Framework Agreement period is 2 years, with an option for the Contracting Authority for extending the contract for 1 year + 1 year on verbatim terms.

#### **II.1.6. Information about lots**

This contract is divided into lots: no

#### **II.1.7. Total value of the procurement**

Value excluding VAT: 30 000 000,00 NOK

### **II.2. Description**

#### **II.2.2. Additional CPV code(s)**

31600000 Electrical equipment and apparatus, 31711100 Electronic components, 31730000 Electrotechnical equipment, 31731000 Electrotechnical supplies

#### **II.2.3. Place of performance**

NUTS code: NO Norge

Main site or place of performance: Oslo

#### **II.2.4. Description of the procurement**

The municipal undertaking for educational buildings and property shall enter into 3-5 parallel Framework Agreements for electrical installation works. The Framework Agreement applies to improvement works, planned maintenance works and smaller renovation projects that the municipal undertaking for educational buildings and property performs while the school is in operation.

The Framework Agreement is limited in area to the municipal undertaking for educational buildings and property's properties, primarily in Oslo.

The Framework Agreement generally doesn't include works in connection with projects where electrical installation works are carried out as part of a large partial renovation or total renovation project. The Contracting Authority reserves the right to use the Framework Agreement in such projects where this is appropriate.

#### **II.2.5. Award criteria**

Quality criterion - Name: Quality / Weighting: 30 %

Price - Weighting: 70 %

#### **II.2.11. Information about options**

Options: yes

Description of options:

The Framework Agreement period is 2 years, with an option for the Contracting Authority for extending the contract for 1 year + 1 year on verbatim terms.

By the expiration of the Framework Agreement (2 years), before any options are released, the supplier shall use zero-emission vehicles for assignments on behalf of the Contracting Authority. The car fleet that shall be used for assignments for the Contracting Authority must therefore have zero-emissions, including particle emissions, NoX, CO2.

This must be substantiated upon requests from the municipal undertaking for educational buildings and property.

The option shall as starting point not be released for a supplier who fails to comply with the requirements or lacking documentation showing compliance with the requirements.

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:

no

#### **II.2.14. Additional information**

### **Section IV: Procedure**
