I.6. Main activity

Electricity

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of Electricity with Hedging for Net Loss and Delivery Obligations
Reference number: AK-002362

II.1.2. Main CPV code

09310000 Electricity

II.1.3. Type of contract

Supplies

II.1.4. Short description

The aim of the procurement is to enter into a framework agreement with an electricity provider for the procurement of electricity for hedging for the contracting authority's net loss, plus electricity for delivery to customers with delivery obligations.

The framework agreement will also include obligatory procurements of electricity certificates based on volume delivery obligations. The tenderer will also have the role of balance manager on behalf of the contracting authority and will be responsible for prognosticating, reporting and trading electricity requirements to Nord Pool. Electricity is traded by the energy provider on Nord Pool, Day-ahead rates for area NO2 (spot price).

II.1.5. Estimated total value

Value excluding VAT: 600 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71314000 Energy and related services, 71314200 Energy-management services

II.2.3. Place of performance

NUTS code: NO043 Rogaland

II.2.4. Description of the procurement

The aim of the procurement is to enter into a framework agreement with an electricity provider for the procurement of electricity for hedging for the contracting authority's net loss, plus electricity for delivery to customers with delivery obligations.

The framework agreement will also include obligatory procurements of electricity certificates based on volume delivery obligations. The tenderer will also have the role of balance manager on behalf of the contracting authority and will be responsible for prognosticating, reporting and trading electricity requirements to Nord Pool. Electricity is traded by the energy provider on Nord Pool, Day-ahead rates for area NO2 (spot price).

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 600 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/05/2020 End: 31/12/2022

This contract is subject to renewal: yes

Description of renewals:

The contracting authority will have a unilateral right to extend the framework agreement for a further 1 year + 1 year on the unchanged terms, then the framework agreement will terminate without further notice after the last period has expired (i.e., 31.12.2024 at the latest).

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

Tenderers must have their tax and duty payments in order.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Credit assessment without requirement for guarantees.

Minimum level(s) of standards possibly required:

The auditor approved annual accounts, with the report, for the last 2 years, with an account of any conditions from the current financial year that will be of importance for the fiscal figures.

The contracting authority reserves the right to obtain and assess a credit check of tenderers via a publicly certified credit rating institution that has a licence to carry out such activities (the contracting authority uses Experian). Tenderers consent, when they submit a request for participation, to such information being obtained and forming the basis of an assessment of the tenderer's economic and financial capacity.

If a tenderer, due to valid reasons, cannot prove his financial position in accordance with the above mentioned documentation requirements, the contracting authority will assess other suitable documentation, for example, a declaration from a financial institution on surety.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have good competence and experience with the sale of electricity for hedging for net loss and delivery obligations, the sale of electricity certificates, as a balance manager and associated services.

Minimum level(s) of standards possibly required:

Information about education and professional qualifications of the tenderer and the tenderer's administrative management (competence matrix).

An overview of relevant work carried out in the last 3 years.

An overview of the annual average historical balance deviation (preferably from an equivalent portfolio) in the last 3 years.

III.1.4. Objective rules and criteria for participation

List and brief description of rules and criteria:

Tenderers must confirm that they accept Lyse's supplier declaration without reservations.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Negotiated procedure with prior call for competition

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 16/03/2020 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

Date: 01/04/2020

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 30/05/2020

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic invoicing will be accepted

VI.3. Additional information

See the tender documentation for further information.

VI.4. Procedures for review

VI.4.1. Review body
