Caterham High has been at the heart of the local community for over 60 years providing an excellent education for all young people that join our thriving institution. We are ambitious for our students, setting high aspirations in all that they do. We aim to ensure that they achieve the best exam results possible, have opportunities to develop their talents and aptitudes and become confident young people who will step out to meet the challenges of the world today. Our home-school partnerships are very strong. For students to maximise their potential, it is vital that parents and carers and the school work productively together. We use regular

monitoring, target setting and dialogue with students and parents and carers to ensure students make good progress. There are many opportunities, formal and informal, for dialogue, which we strongly welcome.
