## **Section VI: Complementary information**

---

### **VI.1. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **VI.2. Additional information**

### **VI.3. Procedures for review**

#### **VI.3.1. Review body**

#### **VI.3.2. Review procedure**

Precise information on deadline(s) for review procedures: The Contracting Authority will incorporate a minimum 10 calendar day standstill period at the point when information on the award of the contract is communicated to tenderers. Participants who are unsuccessful shall be informed by the Contracting Authority as soon as possible after the decision has been made as to the reasons why the participant was unsuccessful. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2006 (SI 2006 No 5), as amended, provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into the Court may order the setting aside of the award decision or order the Contracting Authority to amend any document and may award damages. If the contract has been entered into the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order the Contracting Authority to pay a fine, and/or order that the duration of the contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.

#### **VI.3.3. Service from which information about the review procedure may be obtained**
