Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Verification showing that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

The tenderer must have experience from minimum one comparable assignment.

Comparable assignments means, among other things, concrete casting in the sea or drilling of steel in the sea. For example, drilling and/or casting of sailing foundations or dock piles.

Documentation requirement:

The tenderer must present overview of up to 3 comparable assignments executed during the last 5 years, which clearly demonstrates that the requirement is met.

The requirement is documented by completing the table in Annex 1 Response Form point 5 Qualification Requirements "Technical and Professional Qualifications"
