Lot 8: Repair of Various Shepherd / TRW etc Steering and Hydraulic Assemblies as fitted on various PMT Vehicle Fleets

Lot 9: Repair of Various (Marmon-Herington) Axle Assemblies as fitted on Various PMT Vehicle Fleets.

The successful Contractor(s) will be required to overhaul/repair Articles as per OEM Specification with an accompanying Certificate of Conformance detailing results of output tests. The successful Contractor(s) will need to be able to supply, as necessary, certain major components, in addition to the overhaul process, where found to be missing or unserviceable due to the nature of usage by the MoD Customer.

Successful Contractor(s) will be expected to arrange the subsequent packaging to appropriate Military Packing Levels and deliver articles to the Authority post completion of the overhaul activity.

Companies wishing to express an interest must have the capability to arrange dynamic load testing (where applicable), through the use of a dynamometer to establish OEM Performance Specifications.

The Authority may wish to conduct a pre-qualification exercise to assist in the down selection of prospective Tenderers. Only those companies who can demonstrate a sufficient level of competence, experience and resources against the Authority's pre-qualification criteria will be invited to tender. It should be noted that the AWARD software package may be used as part of the pre-qualification/tender evaluation process.

QA Standards or equivalent: The Contractor shall hold and maintain a certification to BS EN ISO 9001:2000/2008, issued by an accredited certification body.

Interested parties should submit their Expression of Interest for this requirement indicating which lot(s) they are interested in supporting to:

Miss Nikki Pratt, GSG Procurement Manager, DSG Land Supply, Bldg B15, MOD Donnington, Telford, Shropshire, TF2 8JT (Email: [nicola.pratt@dsg.mod.uk](mailto:nicola.pratt@dsg.mod.uk)) and as a minimum should supply the following :

(i) Evidence of current ISO accreditation including the scope of requirement.

(ii) Demonstration of access to genuine OEM Parts

Please note that the Authority reserves the right to exclude any potential suppliers whose ISO accreditation does not cover the scope of the Authorities requirement.

Expressions of Interest should not exceed 2 A4 pages.

Please note that late expressions will not be considered, nor will expressions where no ISO Certificate with appropriate scope is provided.

The announcement of a possible future requirement is not to be construed as confirmation that a tender/contract will subsequently be issued. The issue of a possible future requirement, or the issue of an Invitation to Tender, is not to be construed as a commitment by the Authority to place an order as a result of the tendering stage or at a later stage. Any expenditure, work or effort prior to any contract award is accordingly a matter solely for the commercial judgement of the potential supplier.

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the contract will be awarded on the basis of the most economically advantageous tender. Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at [www.contracts.mod.uk](http://www.contracts.mod.uk). The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the

MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.
