II.2. Description

II.2.2. Additional CPV code(s)

76520000 Offshore services

II.2.3. Place of performance

NUTS code: DE Deutschland

Main site or place of performance: Baltic Sea

II.2.4. Description of the procurement

The project works consists in the identification and removal within the offshore site North-East of the island of Rügen close to the existing wind farms Arkona Becken and Wikinger.

The objective of the UXO survey and ID and Clearance campaign is to mitigate the risk of Unexploded Ordnance (UXO) present in the cable installation corridor(s) to ensure a safe installation of the Ostwind 3 export cable(s) and offshore substation, including all route clearance and route preparation activities as for example boulder clearance, Pre-Lay Grapnel run, dredging and anchoring.

The scope of the UXO survey and ID and Clearance campaign consists of 2 phases:

Phase 1:

- high resolution bathymetry, acquired with multibeam echosounder (MBES) equipment;
- sea bottom imagery, acquired with side-scan sonar (SSS) equipment;
- magneto metric survey data, acquired with underwater magnetometer detection equipment;
- electromagnetic survey, acquired with underwater electromagnetic detection equipment;
- analysis and interpretation of all the acquired data;
- provision of an Master Target List (MTL).

Phase 2:

- UXO inspection, Identification and removal/detonation were required.

II.2.11. Information about options

Options: yes

Description of options:

If applicable, will be described in the tender documents.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:

no

VI.4.1. Review body

Official name: Vergabekammer des Landes Berlin

Town: Berlin

Country: Germany

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

The application for review proceedings before the public procurement tribunal is inadmissible if:

- 1) The applicant became aware of the claimed violation of public procurement provisions before filing the application for review, but did not complain to the contracting authority within a time limit of 10 calendar days; the expiry of the time limit under § 134(2) remains unaffected;
- 2) Violations of public procurement provisions which become apparent from the tender notice are not notified to the contracting authority by the end of the time limit for the application or the submission of a tender specified in the notice;
- 3) Violations of public procurement provisions which only become apparent from the procurement documents are not notified to the contracting authority by the end of the time limit for the application or the submission of a tender specified in the notice;

4) More than 15 calendar days have expired since receipt of notification from the contracting authority that it is unwilling to redress the objection. Sentence 1 shall not apply to an application under § 135(1) No 2 to have the contract declared ineffective. § 134(1) sentence 2 shall remain unaffected.

VI.5. Date of dispatch of this notice

18/02/2022
