The Enterprise Hub is seeking to procure suitable strategic partners to support its application for continuation post November 2018. The purpose is to assist in the project's continued development and implementation of an integrated pre-business startup support services in Liverpool City Region.

Enterprise Hub strategic partners will enable and improve;

- policy and strategy alignment to create the operational conditions to support more residents to become economically included and establish enterprises.

- accountability, quality and alignment with local authority policy ambitions.

- programme awareness and reach at an individual local authority district level across Liverpool City Region.

- alignment with other public sector support services that will facilitate residents social and economic inclusion and drive enterprise creation.

- connectivity to local public and community based services.

- integration with other key mainstream policy areas.

- overall engagement in support services in the Liverpool city region that will help improve economic.

- further investment in targeted local service delivery that will support residents within each local authority district.

Enterprise Hub is a comprehensive community engagement, enterprise promotion and business support programme, which fosters the creation of new enterprises from pre-start to early stage businesses and social enterprises. It achieves this through delivering an innovative package of services which helps prepare individuals considering creating an enterprise or a social enterprise. Enterprise Hub deploys a range of measures and community development approaches including community outreach, awareness raising, advice, workshops, mentoring and network development to provide a holistic model of support. In addition, it has developed a strategic partner collaborative to ensure effective policy and strategy alignment, democratic accountability whilst promoting additional community and neighbourhood reach.

Enterprise Hub provides support to a diverse target group of potential-entrepreneurs living in LCR including men, women, employed and unemployed residents, BME and disabled residents and graduates mapped against the LCR combined authority footprint and based on specific local authority geography.

From December 2018 the Enterprise Hub will be led by the women's organisation who will act as accountable body and managing partner. Enterprise Hub is part funded through the European Regional Development Fund.
