2. Procedure

2.1. Procedure

Title: Sleeves and split tees incl. associated services - Natural gas recompression Services - 25/18597

Description: Gastransmission A/S (GTO) and Gas Storage Denmark A/S (GSD) – a part of the Energinet Group – wishes to examine the market for potential and suitable suppliers of services, applicable to our transmission grid and facilities at the natural gas storages. The desired outcome of this market dialogue is to get input from the market participants in our further internal considerations ahead of any potential publications of a new tender/s on the following Services: - The purchase of sleeves and split tees incl. associated services, see section 2 - Natural Gas Recompression Services, see section 3 GTO and GSD would like to hear from potential suppliers who will be able to provide the desired services under Category A to G in The participant is asked to respond to the questions in section 4 The Document "Questions and responses to market dialogue" is available in the market hearing. GTO and GSD want the participating Suppliers to be ensured that any response will be handled with confidentiality and is only for Energinet internal use in the preparation of potential future EU-tenders regarding the relevant Services. This market dialogue is conducted in the tendering platform Comdia. All questions as well as responses are to be uploaded in Comdia. The time limit for the market dialogue is 23 February 2026 at 12:00 (CET).

Internal identifier: 658484
