## Section II: Object of the contract

---

### II.1. Description

#### II.1.1. Title attributed to the contract by the contracting authority

Mobile application for routing information, real time and travel planner etc.

#### II.1.2. Type of contract and place of performance or delivery

Services

Service category No 7: Computer and related services

Main site or place of performance: Hordaland, Norway.

NUTS code

#### II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

#### II.1.4. Information about framework agreement

#### II.1.5. Short description of the contract or purchase(s)

The purpose of this announcement is to conduct an acquisition for a development partner for mobile applications for Skyss, henceforth referred to as the Awarding Authority. The mobile applications will initially be for the communication of route information, real time information and travel planning on Apple IOS and Android with integrations for underlying modules and systems. It is expected that the area of application can be extended over time with the basis of available information, communication and functional needs. As part of the Awarding Authority's comprehensive solution shall a technical service layer (Web Services) be established for the accessibility of relevant data and associated internal logic. The selected supplier must be able to integrate with this service layer.

Note: To register your interest in this notice and obtain any additional information please visit the Doffin Web Site at [http://www.doffin.no/Search/Search\\_Switch.aspx?ID=288411](http://www.doffin.no/Search/Search_Switch.aspx?ID=288411)
