<http://peelports.com/>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted to the abovementioned address

I.4. Type of the contracting authority

Other type: Port — Utility

I.5. Main activity

Other activity: Port — Utility

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

QEII Dock — Caisson Gate Refurbishment

II.1.2. Main CPV code

45248100 Canal locks construction work

II.1.3. Type of contract

Works

II.1.4. Short description

The following is the main scope of works of the whole project:

— caisson works: major refurbishment and upgrade works to the spare caisson,

- wear track: replacement of worn steel tracks located on the floor of the lock that the gate slides across,
- outer sill: repair works to the damaged outer sill which causes excessive leakage affecting lock operational duration and success,
- hauling/operating machinery: the hauling/operating machinery in use is the original 1954 equipment and in requirement of complete upgrade/replacement,
- caisson removal/installation: caisson movements, installation and commissioning within lock possession duration.

This is an operational lock entrance to a busy dock, which will need to be out of service for a minimal period while the works are completed.

II.1.5. Estimated total value

Value excluding VAT: 8 000 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: UKD7 Merseyside
