The tender documents will be provided free of charge.

Contacts between the contracting authority and the tenderers are authorised only in exceptional circumstances.

In exceptional circumstances contacts may be made on the tenderer's initiative not later than 5 working days before the final date for receipt of bids, in order (and only for this reason) to clarify the nature of the contract (see letter of invitation). In so far as it has been requested in good time and in accordance with tender documents, the additional information will be made available simultaneously to tenderers on the contracting authority's website <http://www.jrc.ec.europa.eu/callsfortender>

The tenderers are invited to regularly check this Internet address where answers to requests for additional information and to relevant questions will be made available. It is the responsibility of the tenderers to check updates and modifications during the tendering period. For exclusion and selection criteria for economic and financial capacity, the contracting authority hereby waives the obligation for a tenderer to include documentary evidence if such evidence has already been submitted in a previous procurement procedure. For exclusion criteria, the documents must be issued not more than 1 year earlier and be still valid. In such cases, the tenderer making the request will need to declare on his/her honour that the documentary evidence has already been provided in a previous procurement procedure, provide reference to that procedure, and confirm that there has been no change in the situation.
