2. Procedure

2.1. Procedure

Title: OPERATION : Aménagement du Parc Jacques Chirac sur le site des anciennes pépinières Pichon

Description: Les travaux, objets de la présente consultation, portent sur l'aménagement du parc Jacques Chirac et des travaux de requalification du Boulevard d'Allende, à Nîmes (30). Le terrain qui s'étend sur environ 11 hectares est sur le site des anciennes Pépinières Pichon. En partie Nord, il longe le cadre du Vistre de la Fontaine et, en partie sud, la rivière recalibrée à ciel ouvert. Il est implanté de part et d'autre du boulevard Allende et les travaux comprennent sa requalification pour permettre un passage piéton et cyclable sous la voie.

L'aménagement du parc a pour objectif de conserver son identité et de préserver au maximum la végétation dense et la biodiversité existantes. Le projet d'aménagement comprend notamment la liaison avec le Boulevard Natoire au nord, proche de la gare de Nîmes, avec la réalisation d'un parvis d'entrée au parc et la création d'un axe majeur qui traverse la totalité du site (la Via) pour se raccorder en partie sud à la piste qui borde le Vistre. Il intègre également la transformation d'une ancienne station de pompage en aire de jeux et sanitaires, la mise en place d'activités sportives et d'aires de pique-nique, la conservation et l'aménagement d'anciennes serres, les travaux d'une section du Boulevard Allende et la réalisation de deux pistes cyclables ainsi que la mise en valeur d'une petite station de pompage qui témoigne du passé horticole.

Procedure identifier: ff7c6040-6916-45ff-8d16-1b9672615066

Previous notice: 49583-2024

Internal identifier: 24T001ADB

Type of procedure: Open
